CLUMBER SPANIEL CLUB OF AMERICA NATIONAL SPECIALTY SHOW GUIDELINES

1. Introduction

The purpose of the National Specialty is to conduct the annual CSCA Specialty Show (Conformation, Obedience, Rally, Junior Showmanship, Hunting Test, Tracking Test, Agility Trials and Canine Good Citizen testing) and to provide a plan of education and social events for all in attendance.

These Guidelines are intended to help volunteers organize and lay out a timetable to ensure all events will be presented in a timely manner in accordance with AKC Rules and Regulations and the CSCA Standing Rules. It is required that the Show Chair and all committee chairs understand their responsibilities and obligations.

National Specialty week objectives:

- To conduct a quality show at excellent, comfortable and convenient facilities.
- To schedule the show within the timeline set by the CSCA Standing Rules (March through June).
- To conduct socially entertaining events for our fanciers and members.
- To sponsor events for breed education for judges and breeder education.
- To maintain sound financial management to ensure that the National Specialty contributes financially to the mission of CSCA.

No National Specialty should be a standalone event. Per the Standing Rules, a Regional or Independent Specialty is to be held in conjunction with the National Specialty, beginning in 2015.

Consideration should be given to regular all-breed shows (trailer shows) held the weekend after the Specialty and secondarily to all-breed shows held the weekend before the Specialty. The CSCA supports the trailer show(s) with money for trophies (see CSCA Standing Rules located at <http://www.clumbers.org/sourcedocs/SR.pdf>). When scheduling the National Specialty week, consideration should be given to avoid conflict with an AKC Delegates Meeting.

2. Show Committee

Committee Structure

The committee should consist of the following:

- Show Chair

4 NATIONAL SPECIALTY SHOW GUIDELINES

Each Committee Chair should try to get other members to help with the work of their committee.

3. General Policies

A. *Proposal to Hold a National Specialty*

- Process: At the time the bid is presented to the CSCA Board there must be a Show Date, Show Chair, Show Secretary, Treasurer (the National Specialty Treasurer is the CSCA Treasurer), and other Committee heads. A hotel with indoor and outdoor grounds suitable for conformation, obedience/rally and agility and their room rates should be identified and ready to be finalized upon Board approval. Hunting and Tracking grounds should be identified. A budget outlining proposed revenues and expenses must be submitted with the proposal.
- Timeline: Refer to Standing Rules/National Specialty.
- Examples of submission requirements are found in the Appendix.

B. *Method to Amend guidelines*

- Submit proposed amendments to the Chairperson of the National Guidelines Committee for review, in writing, with reference to page, paragraph, and

rationale for change. The Chairperson will present proposed amendments to the National Guidelines committee.

- The committee's recommendation will be presented to the CSCA Board of Directors for approval.
- If the proposal is approved, the amendment will be incorporated into the official Show Guidelines, and the National Show Guidelines Committee will be notified. Changes approved by the Board of Directors, will apply to the next host bid.

C. *Judge Nomination:* Refer to Standing Rules/National Specialty.

D. *Responsibility to the Judges:* Refer to Standing Rules/National Specialty.

- The Show/Judges Hospitality Chairperson shall assist all Judges with travel arrangements and reach agreement on expenses, the details of which shall be clearly spelled out in the judge's contract.
- Judging expenses are considered a part of the show cost and shall be paid from the incoming receipts of the National Specialty.
- The Show/Judges Hospitality chairperson will ensure a signed contract is completed prior to making any pre-show arrangements.

4. Host Hotel Selection

A. *Show Site*

- Site selection should give consideration to reasonable proximity to a major airport.
- If show rings are not indoors, outdoor grounds for show rings should be in close proximity to host hotel.
- Host hotel should have parking areas large enough to park motor homes, as should the show site if not at the hotel.
- Access to electrical power, water, and rest rooms during all events must be arranged in advance. Electrical power and water hookups for motor homes are desirable.
- Location of Tracking, Hunting and Agility grounds should be taken into consideration when selecting a show site. It is ideal to have these grounds within one to two hours drive of the host hotel.

B. *Host Hotel Considerations*

- Restrictions on dogs in rooms? (Crates, number of dogs, etc.).
- Availability of dog walking areas on grass.
- Room rates and hotel policy for extra charges for dogs in the rooms.
- Show chairs should attempt to negotiate favorable rates for hospitality rooms, Board meeting rooms, seminar room, and room for the show.

6 NATIONAL SPECILITY SHOW GUIDELINES

- The Board meeting room should be large enough for the 9 Board members and at least 12 spectators.
- Hospitality Room should be large enough for a buffet setup and 50-100 people. If the room is not large enough an adjoining area should be available.
- Show Room must be large enough to hold a 50 foot by 50 foot ring with additional room for dogs waiting to enter the ring, spectators standing and sitting, plus enough room for a trophy table and possibly some concessions. Ideally an indoor room should have no pillars/columns or other obstructions and be at least 75 foot by 90 foot. If outdoors there should be ample room for the ring on grass with an area for a small tent, trophy table, seating for spectators, and crate area.
- Banquet facilities should accommodate at least 150 people for dinner. It is recommended that the show chairs for the two previous nationals be consulted for the number attending past banquets to gauge the room size requirement. A podium and a microphone would be available.
- Provide a list of camping facilities for attendees not wishing to stay in the host hotel. Information should include:
 - Names and locations of campgrounds and proximity to show site.
 - Proposed camping fee and additional charges for water and electrical hookups.

5.Planned Events

When planning events, the following considerations should be given:

- A. No two events should be scheduled for the same day or time unless previously approved by the Board.
- B. Board meeting (to be scheduled by the Board) cannot be held during any other activity. It may require two (2) meeting dates.
- C. Conformation, Junior Handling, Sweepstakes, Obedience, Rally, CGC testing should be scheduled for two (2) days. Ideally Sweepstakes, Obedience, Rally and CGC on first day and Junior Handling and Conformation on second day. Optional events may include a Parade of Titleholders, Pet Contest/Parade, Rescue Parade, etc. These should be held if time permits.
- D. Tracking Test should allow for two (2) days: one day for plotting and one day for the tests. (TD, TDX, VST)
- E. Hunting Test should take one day (Junior Hunter, Senior Hunter, Master Hunter). If more than one day of hunting is planned, the additional day cannot interfere with any other CSCA activity and shall be considered an independent event and not part of the National.

- F. Seminars, special daytime events, veterinarian presentations, evaluation clinics, etc. should be scheduled so they do not interfere with the two days of conformation shows, nor with hunting, tracking, obedience, and agility. Judge's education presentation should occur in the morning followed by a conformation event in order to make this a one-day event for the participants. The AKC requires a ninety-minute presentation and a hands-on opportunity.
- G. Trailer shows (all-breed) should be selected that are within a reasonable traveling time.
- H. Hospitality night is usually the evening of Obedience, Rally and Sweepstakes.
- I. It is the Board's responsibility to determine the day and time of the Annual General Meeting.
- J. The Banquet and Awards night are held in the evening following the Conformation Judging.
- K. The Board of Directors holds a Meet & Greet on Tuesday evening. The Board of Directors is also responsible for funding the cost.

6. Budget

- A. The cost of Host Hotel and other site fees are the biggest expenses for the National. Ample consideration and planning should be given for each, recognizing rising costs, site location, and other cost factors when establishing the budget.
- B. CSCA Treasurer can provide assistance when developing a budget, including a report of expenses for the shows two years prior to use as a guide.
- C. Following are the items for each event that should be considered when figuring the costs:
 - **AMERICAN KENNEL CLUB:**
 - Application fees for all events.

- G. **National Specialty Show held year prior to your show:**

14. Visiting Judges

Provisional and licensed judges in the area of the show should be invited to attend the show. Complimentary lunches should be provided to these judges.

15. Committees

On the following pages each Committee Chair's responsibilities will be outlined as a guide.

The Standing Rules of CSCA located at www.clumbers.org are to be followed. In addition, the AKC "Rules Applying to Dog Shows", "Obedience and Rally Regulations", "Agility Regulations", and "Junior Showmanship Regulations" shall be followed and may be found at www.AKC.org.

A. SHOW CHAIR - (may not exhibit) should be a member of CSCA. The Show Chair's responsibilities include:

- 1) The CSCA Club Secretary will give the Show Chair the names of the 5 judges having received the most votes by the membership **after** the Board has approved the bid.
- 2) Provide each committee chair with a copy of the National Show Guidelines.
- 3) The judge receiving the most number of votes is to be contacted. If the judge's requirements are unreasonable or the judge is not available, the judges receiving the 2nd most number of votes is to be contacted in writing. The process is similar if the 3rd through 5th judges must be contacted.
- 4) Coordinate the work of the committees
- 5) Responsible for arranging judges hospitality at the show (meeting them at the airport, having meals with them, making sure that they have rooms away from the dogs entered). The Show Chair can appoint someone to take care of the Judges, but this person cannot exhibit and will be considered the Judges Hospitality Chair.
- 6) It is the responsibility of the Show Committee to decide how to choose a Sweepstakes Judge. Preference shall be given to current and former breeders and breed handlers. The Sweepstakes Judge does not get paid,

but receives two meals and one night's lodging.

- 7) Make sure there are stewards for Sweepstakes, Conformation, Obedience, Rally, Agility, and Junior Handling.
- 8) Complete all AKC event application forms and Judge's Panel forms. An Officer must sign these forms and secure a check from the CSCA Treasurer for the AKC fees. Make sure that Obedience/Rally, Hunting, Tracking and Agility have completed their AKC event application and Judge's Panel forms and that they have been sent to AKC at least 18 weeks prior to the entry closing date with the appropriate fees..
- 9) Contracts/agreements must be secured for all judges, concessionaires, photographer, videographer, hotel, meals, any land that is needed for tracking and hunting, etc. **Copies should be held by the Show Chair and committee head as required by AKC.**
- 10) All AKC close-out forms should be received from the CSCA Secretary within two (2) months after the close of the previous year's show (i.e., May 2010 show – June 2012 forms received and sent to Show Chair for distributing to various committees for 2013 show). Applications must be received by the AKC by their deadlines or AKC charges a late fee. AKC requires all forms be submitted for approval six (6) months prior to the event date.
THIS STILL SOUNDS VERY CONFUSING.
- 11) Badges for all judges, Board/officers, delegate, and committee heads may be obtained from the company providing ribbons for the show.
- 12) Sample contracts (see Appendix) should be sent to committee heads as appropriate. The hotel usually provides its own contract. Committees must get two (2) original contracts signed. One (1) copy is to be held by the Show Chair and one (1) copy is sent to the vendor. A photo copy of the contracts is to be sent to the CSCA Treasurer.
- 13) The Archivist is to be provided one (1) copy of the video, two (2) marked catalogs and one (1) set of pictures as agreed to in the photographer's contract.
- 14) The Clumber Chronicles Production Editor gets a full set of photographs for the National Issue of the Clumber Chronicles.

- 15) It is the responsibility of the Show Chair to get a Photographer and Videographer for the show. Photographs are to be taken at the conclusion of each class of the 1st through 4th placements for Sweepstakes and Conformation. Photographs of Best in Sweepstakes and Best of Opposite Sex to Best in Sweepstakes are to be taken. Conformation photographs are to include Winners Dog and Bitch and Reserve Winners Dog and Bitch, Best of Breed, Best of Opposite Sex to Best of Breed, Best of Winners, Select Dog and Bitch, and Awards of Merit. In addition, photographs of the winners of all non-regular classes are to be taken. Obedience, Rally, and Agility photographs are to be taken at the conclusion of these events.

- 16) Notify the Best of Breed winner to supply an INFORMAL PICTURE for the cover of the National issue of the Clumber Chronicles. The Clumber Chronicles Production Editor must be contacted on deadline for this. A photograph of the Obedience High in Trial winner is to be placed on the back cover of the National issue.

- 17) Approximately 4 months before the show a general mailing is sent by the Show Chair. A full membership list and/or mailing labels can be obtained from the Membership Secretary. This mailing should consist of:
 - a) All information for the host hotel, including rates, deadline for reserving rooms, etc.
 - b) Any information on places to go and things to see in the area. The State, County or City tourist bureau will provide free literature.
 - c) Entries for CGC testing and any pertinent information concerning it.
 - d) Advertising flyer.
 - e) Pins and Raffle flyer.
 - f) Banquet information and meal reservation form.
 - g) Any other meals that must be paid for, such as lunch, hospitality.
 - h) Trophy donation flyer.
 - i) Sign-up forms for seminars.
 - j) Solicit items for the raffle and auction.
 - k) Any other pertinent information. Make sure there is a clearly indicated deadline date for each flyer or item.

- 18) **Note:**
The Show Committee is given one (1) page in each Clumber Chronicles (or insert) and 2 pages (or insert) in the issue before the show. Any pertinent information on hotels, week's schedule, or items such as pins

for sale or fundraising can be included in these inserts. The Show Committee should put the show information on the club web site. Consult with web master for web site submissions.

- 19) At the conclusion of the event, the Show Chair, with the assistance of the Show Committee members, is responsible for submitting the following data on the close-out form to the Board of Directors to help with future event planning.
 - a) Date and location of National Specialty
 - b) Number of people attending
 - c) Number of dogs entered in each event
 - d) Number of rooms reserved
 - e) Number of meals purchased (in each category),
 - f) Any additional information that is pertinent.

Notwithstanding paragraphs #1 through #19 above, additional responsibilities of the Show Chair include:

- 20) Knowledge of the AKC's policy on Emergency Procedures at Events (Disaster and Emergency Plans) is necessary, as a plan must be filed with the AKC (See Appendix for policy and form or download from AKC.ORG).
- 21) Meeting all deadlines set by AKC, and the Superintendent.
- 22) Keeping communications open with all the Committee Chairs, the CSCA President and Board of Directors and Superintendent.
- 23) The prior year's Show Committee should provide the Planning Packet, which should include a copy of the National Show Guidelines, CSCA Standing Rules, and other pertinent information related to AKC forms for show approval and judges approval.
 - a) The Planning Packet also contains two copies of the CSCA National Premium List and two copies of the CSCA National catalog from the prior year's National. These are good tools used to organize the Premium List and the catalog. It will be the Show Chair's responsibility to provide the same items from your National for the next National Show Chair and Committees.

- 24) Once the site and judges have been selected and approved by CSCA, Superintendent Contract signed and all committee chairs selected, the following tasks should be undertaken:
- a) As soon as the current year's National is over, FAX to AKC the "Application for Show/Trial". The information required is:
 - Club Name
 - Date of show
 - Closing date
 - Location
 - Superintendent
 - Entry fee
 - Classes offered, including Obedience.
 - Rally application is separate and should be sent at the same time as well as the Disaster and Emergency plan.
 - b) If the Superintendent will not be in attendance, you must indicate on the Application for Show/Trial the name of a Show Secretary who will be on site during Conformation, Obedience, Rally, Agility, and Junior Showmanship judging.
 - c) CSCA is a member club of AKC so there is no fee for the Applications for Show/Trial.
 - d) In addition, the following information should be referenced:
 - Many applications can be completed on line at AKC.ORG. AKC has complete instructions on its web site for managing events or submitting applications on-line.
 - AKC will assign each event an event number that is required when submitting judges' names. Only the Sweepstakes judge is listed on the application.
 - Each function must have a "Show Committee" of five (5) members. The list of names is shown on the AKC application.
 - The Hunt Test and Tracking Test Chairs must submit their applications as soon as the sites are confirmed and judges' contracts are in hand. Retain copies of all contracts. Set a reasonable date for securing all contracts.

- 25) The Show Chair will rely on information from the CSCA Secretary, as he/she will receive all AKC approval letters and notifications of any applications that have not been received.
- 26) The Hunt Test and Tracking Test Premium Lists are normally printed by the Superintendent and mailed out with the Show Premium List. These committees **must** meet deadlines set by the Superintendent to avoid last minute problems and late fees.
- 27) The Show Committee is to be informed of its responsibility for knowing the procedures to follow if charges are filed at any of the events. Each committee chair should acquire from the AKC the pamphlet "Dealing with Misconduct" and the necessary AKC papers that must be filed if necessary.
- 28) Your Superintendent will have all the necessary Premium List paper work on line. You may delete everything on this form that does not pertain to the National and complete all other required fields and send it by email to the Superintendent. Every Superintendent has a different method, so follow the instructions for completing the form. There is a listing of classes that are to be offered in these guidelines and these may not be deleted. The trophy list and donors are to be sent at the same time.

B. SHOW SECRETARY - (cannot exhibit). Does not have to be a CSCA member and has responsibility for all matters pertaining to entries. All AKC regulations governing these events must be reviewed and followed carefully. The regulations may be found at AKC.ORG. Access to office equipment and good organizational skills is important. A Show Superintendent may be hired and whose responsibility it will be to receive conformation, obedience and rally, and agility entries and to prepare printed materials, including premium lists, catalogs, etc.

The Show Secretary's responsibilities include:

- 1) Receiving all conformation, obedience, rally, agility, and Junior Showmanship entries and entry fees.
- 2) Printing and sending out of premiums - MAKE SURE THAT THERE ARE CORRECT DIRECTIONS TO THE HOST HOTEL FROM THE AIRPORT AND OTHER AREAS.
- 3) Getting all advertising from Advertising Chair (preferably camera ready) and getting catalog printed. When printing the names of dogs, all AKC

- 4) Preparing judges' books.
- 5) Printing of judging schedule/entry conformations - **THE CLUB SECRETARY and THE PRESIDENT MUST BE SENT A COPY OF THE JUDGING SCHEDULE FOR EVERYTHING.**
- 6) Mailing judges schedules/entry conformations to all entrants.

The Advertising Chair should take care of the extra catalogs. There is no charge for mailing catalogs to advertisers. **Make sure that marked catalogs are sent to the following: AKC, AKC Library, CSCA Archives, and Clumber Chronicles Production Editor.** Postage for the mailing of all catalogs is reimbursed from the CSCA Treasurer upon remittance of proper receipts.
- 8) It is absolutely essential that the Show Secretary be present on the show grounds at all times while any events are occurring. However, arrangements can be made for a licensed superintendent to be available for an additional fee or as part of their agreement.
- 9) A copy of a previous year's premium list for Conformation, Obedience, Rally, Agility Junior Showmanship, Hunting and Tracking are in the Planning Packet. The Show Secretary and Advertising Chair are each given a copy of the previous year's catalog.
- 10) Requesting address labels for each event from the CSCA Membership Secretary The Show Secretary for use in mailing event premium lists.

In addition, the Show Chair (or designee) should review with the Treasurer the procedures to follow for paying for purchases of merchandise and for the receipt of payments for the sales of merchandise. Plans for merchandise purchases are to be reviewed with the Treasurer. Any costs for merchandise requiring an advance of funds will require Board approval if the outlay exceeds the initial amount specified in the Standing Rules (see #1 below).

Reimbursements for expenses incurred will be made after submission of receipts or sufficient documentation as determined by the Treasurer. Cash receipts during the National should be turned over to the Treasurer in an orderly fashion indicating the source/purpose of the cash or checks. These receipts may include:

The CSCA Treasurer's responsibilities include:

- 1) One to two years before the show, the Show Committee Chair is entitled to get the sum of \$500 from the Club Treasurer for show expenses as per the Standing Rules. - 7) Site must be available before and after the actual event hours. Knowledge of facility use before and after the event is an important consideration.
- 8) Requirements for insurance, contract, advance deposits, limitations to site usage, additional rental space, etc. must be determined.
- 9) Extent of owner/management involvement in the event should be established prior to leasing, particularly with regard to required usage of the site's personnel or concessions.
- 10) Any potential problems that might result from the event should be discussed beforehand, allowing the owner/manager to take adequate steps to alleviate them.
- 11) Periodic reconfirmation should be made, even after clubs have reached agreement with facility owner/management.
- 12) Regular communication can help avoid any oversights by the site owner/management.
- 13) Determine legal requirements, such as obtaining permits that may be required. Check with local authorities. Agencies that issue permits include, but are not limited to, the local township, health, fire and police departments.
- 14) Consider federal, state and local taxes to avoid any possible penalties imposed for failure to follow such requirements.
- 15) Contract trial secretary or superintendent.
- 16) Contact the judge(s) regarding availability.
- 17) Work with the judge of record regarding contracts, site maps, and equipment available and in general communication with judge.

- 19) Act as liaison to companion/cluster clubs and specialty clubs.

- 20) In advance of the event, acquire and review with all committee members the AKC procedures detailed in the pamphlet “Dealing with Misconduct” and the necessary AKC papers that must be filed if necessary. The document may be found on AKC.ORG.

16. Clumber Closet and National Specialty Merchandise

This section outlines the working relationship between the Clumber Closet and those responsible for selecting and selling National Specialty Merchandise.

- A. The Clumber Closet web store has been designed with the following guiding principles:
 - 1) As the facilitator and main point of sale for merchandise sold on behalf of CSCA.
 - 2) To ensure secure, consistent and efficient credit card transactions from point of sale, to invoicing and delivery to the customer.
 - 3) As an efficient means for the CSCA Treasurer to maintain and manage various revenue streams.
 - 4) To provide a link beyond the CSCA community to generate and increase sales for CSCA and the National Specialty.
- B. National Specialty Merchandise Coordinators/Fund Raising volunteers will coordinate with the Clumber Closet regarding merchandise to be offered for the National Specialty:
 - 1) Effective price points (retail prices that will attract the most consumers) will be identified and implemented.
 - 2) Realistic profit margins will be identified and agreed upon.
 - 3) Sales volume will be analyzed from past Nationals to identify the appropriate numbers of items to stock in inventory.
 - 4) Careful coordination will ensure that planned National Specialty items do not overlap with Clumber Closet items.
- C. National merchandise inventory will remain with those in charge of that National's products and will be shipped out from their location. Alternative inventory storage/shipping plans are to be communicated to the Clumber Closet and the Treasurer.
- D. The National Merchandise will have its own tab on the Clumber Closet web store.
- E. For each sale, the web store program generates an automatic invoice - one to the Treasurer and one to the Clumber Closet address.

- 1) Clumber Closet will forward invoices generated by the web store with National Merchandise on them to the National Merchandise Coordinator/ Fundraising so items may be shipped.
- F. The income that is credited to the National Specialty will be identified and tracked by the Treasurer. The Treasurer will generate reports on sales of merchandise for the Board and the National Specialty Committee Chair.
- G. Credit and thanks for all National Merchandise sales will be directed to the National Committee.

Top Awards

You have been asked to judge the Clumber Spaniel Club of Americas National Specialty show. If you do not judge in the U.S. very often the following description of Best of Breed and Best of Opposite Sex, along with the Selects and the Awards of Merit will hopefully be informative to you. If you are a domestic judge you probably have a good understanding of the Select awards, but we also want to lay out what our club allows for Awards of Merit.

You will pick your Best of Breed and Best of Opposite Sex. Best of Breed will either be a dog or a bitch. Best of Opposite Sex will be whichever sex your Best of Breed is not.

At AKC dog shows there is a Grand Champion program that is another level beyond the champion points that are awarded to the Winners Dog and Winners Bitch. Grand Championship points can at the judge's discretion be awarded to the dog and bitch who are champions of record and that go Best of Breed and Best of Opposite Sex. There is a line in your judge's book that asks if you want to award Grand Championship points to your Best of Breed and Best of Opposite Sex winners. By signing this line you are confirming that these two winners are deserving of Grand Championship points. At the National Specialty with the quality of animals that you will be seeing, it would be expected that you would find these animals deserving of grand championship points, but it is always your choice to award those points or not.

You can also award Select Dog and Select Bitch to the dog and bitch that were the next best in each sex after your Best of Breed and Best of Opposite Sex. By awarding the Select Dog and Select Bitch you have said that you feel that these two animals also are deserving of Grand Championship points and they are also animals that are deserving of top honors. Again, it would be expected that you would find a dog and a bitch that are deserving of grand championship points, but it is always your choice to award those points or not.

The next level down of top awards is the Awards of Merit. Our club allows for you to give up to 2 Awards of Merit for dogs and up to 2 Awards of Merit for bitches. You can give all of your Awards of Merit if you feel that there are dogs of the quality that deserve top honors. Our exhibitors see these awards of merit as significant and are considered prized accomplishments. You do not have to give out any of them if you do not feel that the remaining dogs are of the quality that deserve these awards. What you cannot do is award more than 2 Awards of Merit in each sex. In the past we have had

judges give 3 Awards of Merit to dogs and 1 Award of Merit to a bitch. Our Standing Rules do not allow this and if this was protested, the award would be taken back.

If you have questions about any of the top awards, please talk to the Show Secretary or Superintendent. You can also communicate your concerns to your ring steward who can help you get the answers you need. It is best that you have any questions cleared up before you get to the point where you are making these final placements.

Written Critique

Part of your judging responsibilities will be to provide a written critique that will be printed in the National Specialty edition of our club's newsletter. You are being asked to provide written commentary on every clumber that receives a placement from Best of Breed to the fourth place class winner.

We will need you to provide us with your critique within 30 days of your judging assignment so that it can be published in our newsletter, Clumber Chronicles, that comes out within 90 days of our national.

When you submit your judge's bill, we will pay your expenses portion in full. We will pay 75% of the fee expense after your judging and we will pay the remaining 25% of your fee when you have submitted your critique.

We hope that you value the writing of this critique as a positive experience. Our club members have chosen you for your opinion of our dogs and along with providing that in the ring with your placements, we would welcome some commentary that also tells us why you may have made the decisions that you did.

APPENDIX E

Guidelines for Proposal

Clumber Spaniel Club of America Guidelines for National Specialty Proposals

Introduction

The purpose of these Guidelines is to aid committees in preparing and submitting proposals to hold the CSCA National Specialty. Conduct of the National Specialty is one of the four objects of the club, and the Officers and Board of Directors take seriously their responsibility to the membership in this regard. Following the Guidelines set forth in this document will ensure that the Board has the requisite information to evaluate the proposal and to accurately compare and rank all submitted proposals in a fair manner. The Guidelines are presented as suggestions to the proposing committee. However, it should be remembered that evaluation is more readily accomplished if complete information is provided. In addition to the recommended Proposal format found in Appendix F, Committees are encouraged to include any additional information that may be helpful in the evaluation of the proposal, including pamphlets, websites, photos, *etc.* All committees should consult the CSCA National Show Guidelines before submitting a proposal to hold the National Specialty.

Proposal Contents

The **first section** of the proposal, normally in the form of a **Title Page**, should include the following information:

- The name and contact information for the Show Chair. Note that AKC policies require that the Show Chair be a member of the show-giving club.
- The name and contact information for the individual responsible for the proposal. Preferably, this will be the Show Chair.
- The name and contact information of the Show Secretary or Show Superintendent.
- The dates of the proposed National Specialty, inclusive of all activities.
- The location of the Specialty Show, including site, address, city and state.
- The location of the Show Hotel if different from the show site.

The **second section** of the proposal should have a proposed schedule of events. All major events should appear in the schedule. These include:

1. Specialty Show
2. Sweepstakes
3. Obedience Trial

4. Hunting Test(s)
5. Tracking Test
6. Annual Membership Meeting
7. Board Meeting
8. Banquet
9. Hospitality Night Reception
10. Seminars
11. Any other major activities.

Following the schedule of events, the narrative of the proposal should address the following items. Note that the CSCA Board officially schedules the Annual Membership Meeting and the Board Meeting. However, the National Specialty Committee should propose suitable dates and times.

Hotel. The proposal should describe:

1. space and facilities for the show (indoor and/or outdoor),
2. facilities for meetings and banquets,
3. guest room accommodations, including number of first-floor rooms, patios, balconies, *etc.*,
4. hotel restrictions and rules for keeping dogs in guest rooms,
5. all costs for facility rental and room rates,
6. any special negotiated rates or other special considerations.

A signed contract with the hotel is not required at the time of the proposal. However, a sample contract, a written proposal from the hotel or a letter outlining the details of the negotiated agreement is highly desirable.

If the show site is different from the show hotel, a full description of the site, including all rental costs, should be included.

Banquet, Hospitality and other Catering. In most cases, hotels require that the hotel itself or its exclusive caterer provide all meals at events held on its property. Arrangements, including costs, for the hospitality night reception, the annual awards banquet and any lunches or other refreshments should be outlined in the proposal.

Performance Events. Because there are few areas of the country with sufficient numbers of CSCA members to stage performance events without help, the Hunting and Tracking Tests normally require aid from local clubs. The names of clubs offering help with these events should be in the proposal. In addition, locations of hunting and tracking tests, and their distances from the main show site should be included. Documentation indicating that the events will be allowed at the proposed locations on the proposed dates is highly desirable. Availability of equipment for each event (includes birds for hunting) should be discussed.

Show Committee. The Show Guidelines provide a suggested list of show committee members. All committee positions need not be filled at the time of proposal submission, however it is highly desirable that at least 70% of the committee be in place. It is particularly recommended that members with major responsibilities, such as fundraising chair, trophy chair, hunt test chair, tracking test chair, and banquet/hospitality chair, be in place when the proposal is sent to the Board.
