1. What are your reasons for needing new placement of your Clumber?

2. What kind of environment is your dog accustomed to? (Describe in detail dog's experience with children, visitors, other dogs and pets – especially cats if they've had any exposure to them – its habits, etc.)

3. Has your Clumber had any obedience classes?

4. Any other training such as agility, tracking, hunting, therapy work or a CGC?

5. Describe your Clumber's veterinary history and list any specific conditions it has experienced. Were these a single occurrence or an ongoing condition?

6. Does your dog need regular medication? If so, please list the medications and for what diagnosis. Also, are any medications a significant expense?

7. Most recent vaccinations given and date: _____
Heartworm _____ Flea/Tick Preventative _____

8. Will you provide copies of the dog's veterinary history to the new home? We request these be given to new vets so they can familiarize themselves with this Clumber's health history and ensure continuity of care and medications.

9. What does your dog enjoy most? What does it dislike or fear?

10. Where is your dog during the day?

At night?

How much time will your Clumber spend alone during the day?

11. What does your Clumber dislike or fear? Does it have any bad habits (like fence-fighting, barking, destructive chewing, etc.)?
12. Is there a history of behavioral problems and do these still exist? What actions have you taken to correct these problems?
13. Has this Clumber growled at new visitors? Has it ever attempted to or actually bitten a person or another dog? If so, was this an isolated incident or a repeated response? Please describe:
14. Has your Clumber exhibited aggressive or fear-aggressive behavior? If so, please detail those situations. If anything triggers these reactions, please explain.
15. How does your Clumber behave with outside children, pets (including cats) or in new situations outside its normal living environment? Do you feel this dog is normally socialized or does it need corrective work in this area?
16. Are there any conditions to meet that would result in the most favorable situation/placement for your Clumber (e.g., home with or without children, additional pets for companionship or being the only pet, someone home during the day, large amounts of space, exercise and activity level, lots of one-on-one attention, a fenced yard, etc.)? Let us know what you feel would be an “ideal” situation for your Clumber.
17. Please add any pertinent information on your Clumber that would be helpful:

This questionnaire will help the Rescue & Placement Committee find a suitable match for you and your Clumber. A corresponding questionnaire is sent to those individuals interested in adopting a Clumber. Keeping this information on file will help us find the appropriate people and setting for your dog. Prospective names will be given to both parties so they can make contact and pursue specific arrangements. If you have any questions or for additional information please contact:
