<ul style="list-style-type: none"> <li>• <i>Volunteers may run before posted start times. The event committee may permit entrants to run early to mitigate for weather/heat.</i></li> </ul>				

## COURSE AND EQUIPMENT

**Safety.** Safety is of utmost importance. It is the responsibility of the Event Committee to insure the safety of the course and the conduct of the test. This may include permitting dogs arriving early to run before the scheduled start times. (beneficial for inclement weather or efficiency.) Scheduling alterations, if necessary, will not negatively impact dogs entered in reliance of published start times. If you show up during the event and are eligible, you can run.

**Course Layout.** 10 yard “run in”, 100 yard track, 40 yard run out. Width is approximately 15’. Total length of field area = 150 yards in a straight line. The course is fenced with orange plastic fencing. The fencing is designed to guide the dog through the course. It is not designed to be impenetrable. We would rather have a dog go through the plastic fabric than run broadside into the metal fencing. **Owners assume the risk** that their dogs are fit and retrievable should they go through the fencing.

**Lure.** The lure is a squawker or plastic bag moved ahead of the dog to provide a life-like approximation of natural quarry. To provide maximum safety for the dogs, there is no tailing line or wire behind the lure.

**Running.** There is **only one dog on the field** at a time. Please advise the starting clerk if your dog is reactive or shy. The Even Committee has the sole discretion to bar dogs that it deems a danger to themselves or other entrants. We will try to take extra precautions, but it is the handler’s responsibility to provide for his/her own dog’s and for the other entrants’ dogs safety. Please be a responsible dog owner so everyone is safe.

**Handicap.** Please make sure that your dog receives the correct handicap. **Clumber Spaniel Handlers:** Clumber’s usually are over 18”. If your dog is shorter, make sure you complete the entry form accurately. Rest gleefully knowing that other Clumber participants will not like you and may ask that you purchase adult beverages after your run for the entire group entered in the test. Your 1.5 handicap at 15 mph will calculate to 22.5 mph, which will easily make you a very, very fast Clumber Spaniel.

**Inspection.** Inspection is for your dog’s safety. but we only check for lameness, for bitches in season that may provide a distraction to the other dogs, and for extreme situations. It is the hander’s responsibility to make sure their entrants are fit enough for strenuous activity. Most dogs have a strong prey drive. Chasing the lure is very different than running in the back yard. Please exercise responsibility to overweight, unfit, or elderly dogs.

**Start/Tactics.** At the start, the Huntmaster will attempt to provide assistance to help you get the best time. Your dog may be excited and pulling. Please try to keep control of your dog. Prior to signaling the start, the Huntmaster will ask if you are ready to release your dog. Please express your readiness verbally with a verbal “yes” or “ready.” The Huntmaster will signal “tally ho” as a signal to release your dog. Timing starts when your dog crosses the start line and not when you release your dog. A release farther back behind the start line will give your dog the best chance to get up to speed before timing starts. Most dogs run faster towards their favorite handler. “Run to mama” is usually a better tactic than “be released by mama.” Consider putting the person that knows the dog best at the finish line rather than the start.

**Finish./Recovery** There are forty yards “run out” after the finish line for your dog to stop. Most dogs are running at top speed when they cross the finish line. They are excited. Fast dogs need room to stop. Obedience training may not work. Please work diligently to recover your dog and exit the field. Entrant’s cooperation at the finish is the number one assist in expediting efficiency. We cannot restrict the lure nor bring the next dog to the start until it is safe. If your dog is a “difficult catch”, let us know. If you need to bring a quarter-pounder with cheese to get your dog to come to you at the finish, we are ok with that. We need for you to be able to retrieve your dog. We will try to help. (also see start/tactics above.)

**Timers.** CSCA is attempting to use electronic timers, backed up by stopwatches. Dogs that receive a “no time”, which occasionally happens with electronics, will be given the opportunity to rerun. Verify your time, which should be available shortly after the conclusion of your run.

## **IMPORTANT RULES FOR THIS CSCA TEST –**

**Dogs, will be run on a first come, first served** basis in so far as practical, but the Event Committee reserves the right to prescribe the order as conditions warrant. **Inspection:** Inspections will be made immediately prior to entering the field for the runs.

**Volunteers** may run before the official start of each trial, may not be counted towards the entry limit, and may run both trials prior to the start of the first trial. This way, trials can proceed at an efficient rate.

**A Handlers Meeting** will be held at the start of each event.

**Acknowledgment of entries** will be made as soon as practical after the closing date. Should such acknowledgment not be received within a reasonable time, please contact the Field Secretary.

## **ADDITIONAL INFORMATION AND CONDITIONS**

**Refunds and Fees.** **Entry fees shall not be refunded** in the event that a dog is absent, disqualified, excused by a Veterinarian or Judge, or barred from competition by action of the Test Committee. If because of riots, civil disturbances or other acts beyond the control of the CSCA, it is impossible to open or to complete the trial, no refund of entry fees will be made. Post-dated and returned checks do not constitute a valid entry fee. The Club will add a \$20 collection fee to the amount of each returned check.

No smoking is permitted on the course. No flexi-retracting leads on the trial site. Exercise your dogs only in posted areas and clean up after them!

**Errors on Entries.** Owners are responsible for the accuracy of the information required on the entry form. Changes, additions, or corrections to an entry, entry substitutions, or cancellations by the owner must be received in writing (email accepted) by the Field Secretary prior to the closing date of the trial. Other means of notification will not be accepted.

**Conduct.** Owners/agents/exhibitors are solely responsible for the behavior of their dogs and/or children. Any person(s) whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such cases no refund of any fees/monies paid will be made.

**Assumption of Risk.** The Fast CAT is a strenuous athletic event where dogs are not on leashes. Neither the Event Committee nor the Clumber Spaniel Club of America will be responsible for the loss or damage to any dog on the trial grounds, whether as a result of an accident or any other cause. Each handler warrants that each dog entered in the trial will be in the care, custody and control of its owner or handler during the entire time the dog is on the test premises. **Owners/agents/exhibitors and other persons attending these trials hereby waive any claim against the club or its agents, for any losses, damages, or injuries affecting self, dogs, children, or personal property.**

CSCA reserves the right to remove any dog in distress in a parked vehicle or crate. Please keep the grounds clean by picking up after yourself and your dog. Dispose of ‘poop’ bags in the trash containers provided there. Please keep the test site, grounds, and motel rooms and grounds clean so we may continue to be welcomed at these facilities.

**Vaccinations.** Exhibitors should follow their veterinarians’ recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

## BASIC INFORMATION ABOUT AKC FAST CAT

### The Event

1. Fast CAT [Coursing Ability Test] is a timed 100 yard dash for dogs. It is meant to be a fun and healthy activity for all dogs in good health.
2. Dogs run singularly and are timed over the 100 yard straight course. .

### Fast CAT Points and Titles

1. The dog's time to complete the 100 yard dash is converted to miles per hour.
2. A handicap is applied to the dog's MPH to determine the points awarded. The handicap is based upon the height of the dog at its withers.
  - a. 18" or greater - no handicap: (Points equal MPH)
  - b. 12" to -18"- 1.5 x MPH (Points equal 1.5 x MPH)
  - c. -12" - 2 x MPH (Points equal 2 x MPH)
3. Fast CAT titles are suffix titles earned at designated levels:
  - a. BCAT = 150 points
  - b. DCAT = 500 points
  - c. FCAT – 1000 points
  - d. FCAT II, III, IV – for each additional 500 points (ex: FCATII = 1500 points), FCATIV =2,500 points)

### Ranking of Fastest Dogs

1. The top 20 fastest dogs by breeds are published on the AKC website by year and for all time. [Akc.org/apps/fastcat\\_ranking/index.cfm](http://Akc.org/apps/fastcat_ranking/index.cfm)
