

2018 CSCA National Specialty Photo Contest & Rescue Parade

Get your cameras out or ensure your phone is handy and ready to snap away. The 2018 National Specialty is just a few months away. Halloween, Christmas, Valentine's Day, St. Patrick's Day... times for dressing up the dogs. Then, of course, there are the *normal* times to take photos of this photogenic breed. The **Photo Contest** categories are:

- Clumbers Playing
- Dirty Clumbers
- Clumbers at Work (this can be in obedience, nose work, barn hunt, agility, therapy dogs, as well as hunting)
- Best Dressed Clumbers
- Clumber Puppies
- Clumbers in Weird Sleeping Positions (otherwise known as being “Clumfortable”)

Submissions: a special email has been set up: cscsca2018photos@yahoo.com When you submit your photo(s) please be sure to indicate which category you are submitting for.

While not being voted on, also would like photos of rescues with short descriptions of the **rescue Clumber**.

An “**In Memoriam**” display will also be put up and we are requesting photos of Clumbers who have gone to the Bridge. Please include a short description. I fully realize that there will be overlap in these 3 sections, so if applicable please send a different photo for each of the 3 categories:

- Photo
- Rescue
- In Memoriam

The Rescue Parade: Diana Jensen cscsca2018photos@yahoo.com needs a count of who and how many will be attending. The parade will be at the start of the Top Ten Gala being held on Wednesday, April 11, 2018. A count is needed to ensure we have enough rosettes for all. The deadline for this information is **March 1, 2018**.
