All entries must be received by the Trial Secretary prior to 12 NOON **13 March 2020 CDT**. STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include warm-up boxes and waiting area. Crating will be out of your vehicle.

The secretary's table for check-ins and posting of running order and results will be marked on site.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing. Competitors are responsible for knowing the parameters of the search whether or not they attend the briefing.

Warm-up area will be available consisting of ONE container of each odor being tested at the trial and may also consist of blank containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior their run. The warm-up area is not for training or relieving of the dog.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. Please visit www.akc.org for specifics.

Search Area Conditions. Searches may be indoors or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

ADDITIONAL SITE INFORMATION

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge and may result in the disqualification of the competing team. Spectators are forbidden to discuss details of the search with handlers who have not run.

Neither the **Cumber Spaniel Club of America** nor the **Purina Farms** will be responsible for any lost or damaged items left at the site.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the grounds.

It is not appropriate to visit the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. As always, it is important to be respectful of our trial properties.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

<i>First Place</i>	<i>Blue</i>
<i>Second Place</i>	<i>Red</i>
<i>Third Place</i>	<i>Yellow</i>
<i>Fourth Place</i>	<i>White</i>
<i>Qualifying Score</i>	<i>Dark Green</i>

New Title rosettes will be awarded to all dog-handler teams finishing a title. Commemorative National Specialty rosettes will be awarded to Clumber Spaniel-handler teams earning a qualifying run and/or title.

High in Trial

Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, and Buried) and qualify in each are eligible to win High in Trial. One High In Trial winner is chosen; there is no separate High In Trial for the Novice A and Novice B sections.

The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. Teams winning High In Trial will earn a HIT rosette.

All exhibitors should obtain a copy of the Regulations for Scent Work Trials by downloading them from the American Kennel Club website.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club, CSCA and their agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. CSCA reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the CSCA or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent,

disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Please be prepared!

EXHIBITOR CHECK-IN: At check-in you will receive your armband number and an event catalog. Once the time and location for check-in is determined all exhibitors will be notified by email.

Exhibitors MUST check-in EACH trial for which they are entered.

"Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements; for example, proof of rabies vaccination.
