

Dear CSCA members:

On behalf of the Holiday Inn at Six Flags St. Louis, we would like to reach out to you as a valued guest. We are proud to be a part of the Dog Show Community and appreciate your business.

Holiday Inn[®]

We understand your organization and Purina Farms are taking the necessary precautions to keep everyone safe and healthy with the concern of the Coronavirus. For all dog show reservations in the group block occurring in March and April 2020 we are refunding any \$100 deposits already paid and cancelling all reservations under the group block. If you are still traveling to our hotel and want to keep your reservation you will need to contact us by March 23, 2020, otherwise it will be cancelled. If you did not book the group rate through the hotel directly, you will need to contact us or the third party through which you made the reservation.

Take care and stay healthy. We look forward to seeing you when your show reschedules.

Sincerely,

The Staff at Holiday Inn at Six Flags
