1. What are your reasons for needing new placement of your Clumber?

2. What kind of environment is your Clumber accustomed to? Describe your dog's exposure to children, visitors, other dogs and pets (especially cats), its exercise needs, etc.

3. Has your Clumber had any obedience classes?

4. Any other training such as agility, tracking, hunting, therapy work or a Canine Good Citizen (CGC)?

5. Describe your Clumber's veterinary history and list any specific issues it has had. Were these a single occurrence or an ongoing condition?

6. Does your dog need regular medication? If so, please list the medications and for what diagnosis. Are any of the medications a significant expense?

7. Most recent vaccinations and date: _____
Heartworm: _____ Flea/Tick Preventative: _____

8. Will you provide copies of your dog's veterinary history to its new home? We request these be given to new vets so they can familiarize themselves with this Clumber's health history and ensure continuity of care.

9. Please give your vet's name and contact information:

10. What does your Clumber enjoy most? Is there anything it dislikes or fears?

11. Where is your dog during the day? At night? How much time does your Clumber spend alone?

12. Is your dog housebroken?

13. Can your Clumber climb stairs without a problem? Please describe if it does have difficulty.

14. Does your Clumber walk properly on a leash? Does it surge and pull making it difficult to walk them?

15. How is your dog in the car?

16. Is your dog crate trained? Do you use a crate at all?

17. Does your Clumber have any bad habits such as excessive barking, fence fighting, destructive chewing, or digging?

18. Is there any history of behavioral problems and do they still exist? What actions have you taken to correct these issues?

19. Has this Clumber growled at new visitors, whether at home or in an outside setting? If so, was this an isolated incident or repeated response? Please describe.

20. Has it exhibited either aggressive or fear-aggressive behavior? If so, please detail those situations. If anything triggers these reactions, such as toys or food, please

explain.

21. How does your Clumber behave with outside children, pets, (including cats) or in new situations outside its normal living environment? Do you feel this dog is normally socialized or does it need some corrective work?

22. What is the most favorable situation for your Clumber? Please describe an "ideal placement":
 - Home with or without children
 - Additional pets for companionship or being the only pet
 - Someone home during the day
 - Space and a fenced yard for exercise and play
 - Lots of one-on-one attention

23. Please add any additional pertinent information on your Clumber:

This questionnaire will help the Rescue & Placement Committee find the most compatible match for your Clumber. A corresponding questionnaire is sent to homes interesting in adopting a Clumber. Keeping this information on file helps us find the most appropriate home and setting for your dog. If you have any additional questions, please contact us. We are always happy to help you.
