19. Has this Clumber growled at new visitors, whether at home or in an outside setting? If so, was this an isolated incident or repeated response? Please describe.
20. Has it exhibited either aggressive or fear-aggressive behavior? If so, please detail those situations. If anything triggers these reactions, such as toys or food, please explain.
21. How does your Clumber behave with outside children, pets, (including cats) or in new situations outside its normal living environment? Do you feel this dog is normally socialized or does it need some corrective work?

22. What is the most favorable situation for your Clumber? Please describe an “ideal” placement?

- Home with or without children
- Additional pets for companionship or being the only pet
- Someone home during the day
- Space and a fenced yard for exercise and play
- Lots of one-on-one attention

This questionnaire will help the Rescue & Placement Committee find the most compatible match your Clumber. A corresponding questionnaire is sent to the homes interested in adopting a Clumber. Keeping this information on file helps us find the most appropriate home and setting for your dog. If you have any additional questions, please contact. We are always happy to help you.
